The Wolf and the Seven Little Goats A mother goat warned her seven kids about the cunning wolf. One day, she went out, and the wolf tricked the kids by changing his voice and paws. He entered the house and ate six kids, but the youngest hid in a clock. When the mother returned, the little goat told her everything. She found the sleeping wolf, cut open his stomach, and rescued her kids. They filled his belly with stones and stitched it back. When the wolf woke up and went to drink water, he fell into the river and drowned. Moral: Always listen to your parents and be cautious of strangers.	बंदर और टोपीवाला एक दिन एक टोपीवाला जंगल से गुजर रहा था। थककर वह एक पेड़ के नीचे सो गया और टोपियों की टोकरी पास में रख दी। पेड़ पर बंदरों ने उसकी टोपियाँ उठाकर पहन लीं। जागकर टोपीवाले ने बंदरों को देखा और परेशान हो गया। फिर उसने अपनी टोपी उतारकर ज़मीन पर फेंक दी। बंदरों ने भी उसकी नकल की और सारी टोपियाँ नीचे फेंक दीं। शिक्षा: बुद्धिमानी से हर समस्या का हल निकाला जा सकता है।
