SUMMER HOLIDAY HOMEWORK

CLASS VI A:

Absolutely thrilled that summer vacation is finally here! It's prime time for relaxation and enjoyment, but let's not forget the importance of continuous learning. Balancing work and play is key to personal growth and development. Embrace this vacation as an opportunity for creativity, learning, and joy. Your holiday homework is designed to spark your imagination and foster innovation, while also helping you revise for the upcoming term and bridge any learning gaps from previous years. So, take a breathe, have fun, and return refreshed and be ready to conquer the world!

Computer

**Chapter 2 - Question and answer (Do it in your fair Notebook)
Worksheet 1 - Page no 137 (Do it in your Fair Notebook)**

Assignment

Topic :- Explore various E - Learning and E - Commerce service around you. Collect pictures regarding them and write about them ,along with Advantages and disadvantages of various E - Service

Method of Writing Assignment

- 1. Should be in A4 sheets**
- 2. Front page of the Assignment should be creatively prepared**
- 3. Mention " Submitted to" and " Submitted by" in the front page.**
- 4. Should be presentable**
- 5. Copying the Assignment is strictly prohibited**
- 6. And present your assignment in Stick file.**

Holiday Homework Assignment: Discovering Plants Around Us!

Subject: Science

Class: 6th

Title: *Plants Around Us*

Objective:

To observe, collect, identify, and classify different types of plants found in your surroundings and learn about their features through hands-on exploration.

What You Need to Do:

Your task is to **collect information and leaf samples from five (5) different types of plants**. Each plant should belong to a **different plant group**:

- 1 Herb
- 1 Shrub
- 1 Tree
- 1 Climber
- 1 Creeper

For each plant, create a separate page or entry in a handmade A4 size paper.

Information to Include for Each Plant:

1. **Common/Local Name:**
The name by which the plant is commonly known in your area.
2. **Scientific Name:**
Find the scientific (botanical) name of the plant using books, the internet, or with help from elders.
3. **Leaf Sample:**
 - Paste a **pressed and dried leaf** from the plant (Use newspaper and books to press the leaf for 4–5 days).
 - **If you cannot collect a real leaf, draw the leaf with clear details.**
4. **Plant Group:**
Identify if the plant is a:
 - Herb

- Shrub
- Tree
- Climber
- Creeper

5. **Leaf Venation Type:**

- **Reticulate Venation** (veins form a net-like pattern)
- **Parallel Venation** (veins run parallel to each other)

6. **Plant height –**

- Tall/ Short

7. **Stem Nature –**

- Colour
- Thick/thin
- Hard /soft

8. **Root Type:**

- **Taproot** (one main root with smaller side roots)
- **Fibrous Root** (many roots growing from base of the stem)
(You may research this based on venation or plant type if roots aren't visible.)

9. **One Medicinal Use (if any):**

- Mention **one known medicinal use** of the plant.
- If no medicinal use is found, write any **other use** (e.g., food, shade, decoration, etc.).

 **Submission Details:**

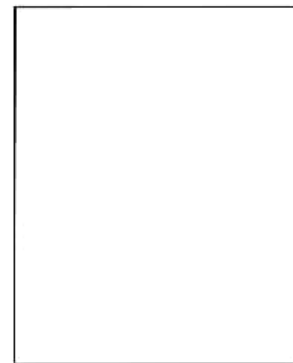

Holiday Homework has to be submitted on 1st day of school reopening.

 **Important Instructions-**

1. Use A4 size paper.
2. Make a proper front page mentioning your name, class, roll no, subject and project title.
3. You can decorate the front page in any way you want. You are free to use sketch pens, glitter pens, watercolour, crayons etc (**only for front page**)
4. For remaining pages use blue and black gel / ball point pen only. (**no fountain pens allowed**)
5. Submit neat and tidy work.

SAMPLE-

1. Common name- Neem
2. Scientific name- ~~Azadirachta indica~~
3. Plant group- Trees
4. Leaf venation type- Reticulate Venation
5. Plant height- Tall
6. Stem nature- Brown, Thick, Hard
7. Root type- taproot
8. Medicinal use- Used to treat skin problems (acne, rashes, and infections) due to its antibacterial properties.

Sp./Fig- Neem
