 **Holiday Homework Assignment: Discovering Plants Around Us!**

Subject -Science

Title: *Plants Around Us*

Objective:

To observe, collect, identify, and classify different types of plants found in your surroundings and learn about their features through hands-on exploration.

What You Need to Do:

Your task is to **collect information and leaf samples from five (5) different types of plants**. Each plant should belong to a **different plant group**:

1 Herb

1 Shrub

1 Tree

1 Climber

1 Creeper

For **each plant**, create a **separate page or entry** in a handmade **A4 size paper**.

 **Information to Include for Each Plant:**

1) Common/Local Name:

The name by which the plant is commonly known in your area.

2) Scientific Name:

Find the scientific (botanical) name of the plant using books, the internet, or with help from elders.

3) Leaf Sample:

- Paste a **pressed and dried leaf** from the plant (Use newspaper and books to press the leaf for 4–5 days).
- **If you cannot collect a real leaf, draw the leaf with clear details.**

4) Plant Group:

Identify if the plant is a:

- Herb
- Shrub
- Tree
- Climber
- Creeper

5) Leaf Venation Type:

- **Reticulate Venation** (veins form a net-like pattern)
- **Parallel Venation** (veins run parallel to each other)

6) Plant height –

- Tall/ Short

7) Stem Nature –

- Colour
- Thick/thin
- Hard /soft

8) Root Type:

- **Taproot** (one main root with smaller side roots)
- **Fibrous Root** (many roots growing from base of the stem)

(You may research this based on venation or plant type if roots aren't visible.)

9) One Medicinal Use (if any):

- Mention **one known medicinal use** of the plant.
- If no medicinal use is found, write any **other use** (e.g., food, shade, decoration, etc.).

Submission Details:

Holiday Homework has to be submitted on 1st day of school reopening.

☀ Important Instructions-

- 1 Use A4 size paper.
- 2 Make a proper front page mentioning your name, class, roll no, subject and project title.
- 3 You can decorate the front page in any way you want. You are free to use sketch pens, glitter pens, watercolour, crayons etc (**only for front page**)
- 5 For remaining pages use blue and black gel / ball point pen only. (**no fountain pens allowed**)

Submit neat and tidy work.

SAMPLE-

Common name- Neem

Scientific name- Azadirachta indica

Plant group- Trees

Leaf venation type- Reticulate Venation.

Plant height- Tall

Stem nature- Brown, Thick, Hard

Root type- taproot

Sp./Fig Neem
