# Physical Education Holiday Homework

Name \_\_\_\_\_

Class \_\_\_\_\_

Roll No \_\_\_\_\_

## Lesson: Cardiovascular endurance

Circle the activities that help improve cardiovascular endurance:

**Jogging**

**Riding a Bicycle**

**Jumping rope**

**Bowling**

**Walking**

**Swimming**

**Playing Horseshoes**

**Doing Yoga**

Choose one of the activities you circled and do it for 15 minutes at least once before your next physical education class. Draw a line under any circled activity you did. Ask your mom, dad and other family members to participate with you.

After you have completed this sheet have your mom or dad sign it at the bottom. Returned the signed sheet during next P.E class.

Tic if mom or dad did the activity with you.

Parent Signature: \_\_\_\_\_ Date \_\_\_\_\_

Name \_\_\_\_\_ Class \_\_\_\_\_ Roll No \_\_\_\_\_

Directions: Ask a parent or an older friend to blow up and tie a large round balloon for you. Then see if you can do the fun tasks below. Use the "Helpful Hints" to help you do your best! After you've finished each task, color in the happy face.

1. Toss a balloon into the air and keep it off the ground by hitting it with your hand.

*Helpful Hint:* Bend your knees when you hit the balloon.

*Helpful Hint:* Get underneath the balloon when you hit it.

2. Hit the balloon back and forth from one hand to the other.

*Helpful Hint:* Keep your eyes on the balloon!

3. Repeatedly hit the balloon high into the air and keep it from hitting the floor by striking it with the opposite hand each time.

*Helpful Hint:* Use the palm of your hand to hit the balloon.

4. Hit the balloon back and forth with a parent or friend.  
If you can, use different body parts like your arm, head, elbow, or knee to hit the balloon!

5. Hit the balloon into the air with a tennis paddle.

6. Use a tennis paddle to hit the balloon back and forth with your friend.

**Note:** Take a print out of this and do your Holiday homework.  
Try not to use mobile phones too much.
