

# MONTFORT SCHOOL

Mariamtoli, Canary Hill Road, Hazaribag – 825301 (Jharkhand)

Ref: No: MNT/MDA-IDA/2025/1092

Date: 13.08.2025

## Notice for Std - III to XII

This is to inform you that on **Thursday, 14 August 2025**, the **Health, Medical and Family Welfare Department, Jharkhand** will be conducting the **MDA-IDA 2025 Campaign** in our school for the elimination of **Filariasis (Elephantiasis)**.

As part of this campaign, the following three types of medicines will be administered to the students:

1. IDA – Ivermectin
2. DEC – Diethylcarbamazine Citrate
3. Albendazole

### Important Guidelines:

- Medicines will be given **only to healthy children aged above 2 years**.
- Children suffering from any illness will **not** be administered the medicines.
- **Medicines will be given only after breakfast**. They will **not** be administered on an empty stomach.
- Parents are requested to provide their consent by writing **“Yes” or “No”** along with their **signature in the school diary**.
- Students must bring their school diary on the day of the campaign.
- **Only those students whose parents have given written consent will be given the medicines.**

Kindly ensure your ward has a **proper breakfast** before coming to school on **14.08.2025 (Thursday)**.

Thank you for your cooperation.
